I will directly benefit from my spouse's employment or consulting contract by ASSIGNEE in the earnings to be received by my spouse, and in any royalties or bonuses paid to my spouse as a consequence of my spouse's inventions and creations, including patents, utility models, designs, and copyrights.

The offer of employment or consulting by ASSIGNEE to my spouse is contingent upon my assignment, now, to ASSIGNEE, and any successors-in-interest of ASSIGNEE, of any future rights that might arise in me, including any rights of priority, in inventions or creations of my spouse, that my spouse is or will be, upon employment by or consulting for ASSIGNEE, be obliged to assign to ASSIGNEE or any successors-in-interest of ASSIGNEE (herein after "FUTURE RIGHTS").

I hereby, expressly, now, assign my FUTURE RIGHTS to ASSIGNEE or any successors-in-interest of ASSIGNEE;

I hereby expressly, now, disclaim any community property right in said FUTURE RIGHTS; and

I hereby agree not to assert in any legal proceeding any community property in said FUTURE RIGHTS.

I hereby agree to not contest patentability or validity of any and all Letters Patent which may be granted in the future or were granted in the past therefor in the United States and its territorial possessions and in any and all foreign countries; and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof which may be granted in the future or were granted in the past.

This assignment, disclaimer, and agreement, is in consideration of the benefit noted above and any funds indicated in the box below, receipt of which I hereby acknowledge.
